

Parents/Guardians,

We are excited to announce the launch of the new D91App, which will give parents/guardians easy access to all their favorite school tools. Using the app, they can:

- Get D91 and school news, updates and notifications
- Track grades & absences in PowerSchool
- See lunch menus
- Pay lunch fees & make other payments
- See the district school directory
- And more ...

It is easy to start using the app, just download it from the app store and personalize it.

- Search your App Store/Google Play Store for D91Proud or Idaho Falls School District
- Download the App
- Allow Notifications (if you want ...)
- **Customize the app** by selecting the schools you want to hear from
- **If you're a D91 parent/guardian**, follow these steps:
 - Click on the Power School Login Icon,
 - Then, click "forgot password" and enter the email you use for PowerSchool. Watch for an email and follow the instructions to set up your account.
 - If you don't have a PowerSchool account, click "forgot password," and then "Don't have an account yet" and follow those instructions.
 - Once you're set up, select the schools you want to receive notifications from using the email linked to your PowerSchool account.
 - **PLZ NOTE: If you DO NOT use the email in your PowerSchool account, your children will not be linked to you in the app. And, if you are not listed with custody in PowerSchool, you will not have access to student information such as grades, etc.**
 - Finally, when you've completed the form, **click "Sign Up" at the bottom of the form.**
- **Further customize the app by clicking on the "Settings" icon**, then "Follow Schools" and pick your favorite news streams and/or click on "Configure Alerts" to request additional notifications such as alerts about absences, grades, etc.

If you have any problems logging in or setting up the app on your phone, please contact the help desk at (208) 525-7556.

Thank you,

Margaret Wimborne
Director of Communications & Community Engagement
